Issue

The NACMA Corporate Governance Committee has developed a **DRAFT NACMA Grain Industry Compliance Code**.

This Code is a high level document outlining the general principles of how NACMA members will conduct their commercial affairs with their potential customers and their counterparties.

It will go through a couple of drafts with members before taking it to the Board.

View the Code

The DRAFT Code can be viewed on the front page of the NACMA website under "NACMA Activities".

Comments

NACMA members are asked to comment on the DRAFT Code.
